Student criticism brought about major reforms.

Council promoted a number of changes this year designed to improve the functions of the organization and to increase its service to the school. The major reform was brought about by criticism which Council received from various sources during the year. The criticism culminated in a bill brought before Council in effect to abolish the representative system by limiting the duties of the representatives to those of mere couriers conveying the decisions of their constituents to Council. The bill, a constitutional amendment, was defeated by Council and refused referendum according to the constitution. However, the uproar caused by the bill forced Council to take a careful look at itself and its adherence to democratic practices. This self-examination was culminated when sponsor, Mr. David Gustafson invited Allan Rowe, a senior at Northwestern University to speak to the student body about democratic ideals.

Partially in response to this criticism Council made a number of changes to improve the representative system. A bill was passed providing for a suspension of representatives failing to carry out their duties. Further, under the vice-president, Whiff Jones, a workshop was created to instruct representatives in Council procedures. Dinners were held at which the heads of various committees delivered reports of the ac-

tivities of their committees. Finally, town meetings were initiated at which students could express their opinions on Council's activities.

During the year, also, a never-ending battle was waged to improve conditions in the lunch hall. In an effort to change the indifferent attitude of the students, the name was formally changed to the dining hall, plans were made to remodel the room and make it more homelike, and music was added. This final attempt met with mixed success. Many people complained, if not about the idea of music in the dining hall, at least about the taste of those responsible for the programing.

Another bill changed the mode of presentation of the Code of Honor. The booklet by which the Code had been presented to the students was replaced by a metal plaque containing the principles of the Code to be placed in the rotunda, and wallet-sized copies to be distributed to the students. Further, plans were made and a committee set up to give talks about the Code in English classes.

Finally, new plans were made by the Unity and Spirit committee calling for a minimum of one dance to be sponsored each month. The frequent gatherings provided increased social opportunities for New Trier students and promoted unity behind various school activities.

In addition, Council carried on its annual activities including the maintenance of study halls, the lounge, the library, and the parking lots. By tradition, both presidents, Mike Scott and his successor George Brandenburg, were elected honorary presidents and chief members of the Huckleberry Hound fan club. By no tradition, second semester vice-president Jan Van Horne initiated his own Pancho Villa fan club. Starting a tradition which should be pleasant for board members for years to come, Andy Price, new head of Unity and Spirit, employed seven secretaries, mostly on weekends, to help with his homework.

Girls' Club Expands

More services by more girls characterized the club's activities.

All of Girls' Club's activities during the year were characterized by a conscious effort on the part of its leaders to increase its activities to keep up with its ever-expanding membership. Aiding the entire student body by such activities as running food and drink concessions at home football games, Girls' Club was able to achieve its goal—to make the female population of New Trier a happier, more closely knit, and more charitable group.

The club's most unique effort was the establishment of a student-run paperback book store, located outside the dining hall and open during all lunch periods. With the money raised from the bookstore, combined with that from the food concessions and the annual magazine drive (from which over $40,000 was collected), Girls' Club was able to grant college scholarships to needy senior girls.

In the late fall, Girls' Club combined forces with Tri-Ship to conduct the biennial canned foods drive. The student body, in a surge of last minute enthusiasm, reached and topped its goal. Later in the school year these two major clubs again worked together, this time raising more than their goal of $3700 for the United Fund drive. Girls' Club also sponsored Christmas and Spring adviser room projects.

Working towards promoting a spirit of amity among all New Trier girls regardless of class, Girls' Club sponsored a freshman-senior party, a friendly week culminating in a friendly banquet, a banquet for new girls, a father-daughter dinner dance, a fashion show, and a hag party for each class.

New Tri-Ship projects boosted school spirit.

Under the inspired leadership of Frank Patton, Tri-Ship had one of the most sensational years in its long history. By a number of ingenious plans, Tri-Ship raised the formerly lagging school spirit to a new high.

The first of Frank's efforts took the form of an all-school motorcade to the season's first football game, at Hinsdale. So many cars participated that the entire parking lot had been filled long before the motorcade was to start.

Following the phenomenal success of its first effort, Tri-Ship organized a bicycle-

cade, and later a peoplecade, to home games. At the last game of the season, a barrage of 2000 green balloons was released as a salute to the team.

Not all of Tri-Ship's new endeavors took such a frivolous form; in another Tri-Ship inspired project, 95% of the New Trier boys went to various settlement houses and other charitable institutions throughout the Chicago area to serve as volunteer workers.

In addition, Tri-Ship carried out its regular responsibilities. It again sponsored five dances.

The Usher Corps was very efficient at the two big events of the year, Lagniappe and the spring opera, and at the other events such as plays and baquets as well.

The banquet Committee planned all of the sports banquets and the Mother-Son Banquet. In addition, it was in charge of refreshments for the Tri-Ship dances.

The Charity Committee had a busy season. Together with Girls' Club, the committee sponsored the United Fund Drive and the Canned Foods Drive. Both were tremendously successful; the Canned Foods Drive surpassed its previous record total of 44,400 cans by approximately 7,000 and 4,713 dollars were collected in the United Fund Drive.

The Service Committee supplied door guards and supported the information and the student employment services.

The Ticket Committee handled ticket sales for Lagniappe and for the opera, "Finian's Rainbow," which was a complete sellout.

The Arrangements Committee planned the Homecoming Parade, which, because many organizations built elaborate and imaginative floats, was most impressive.

The Public Relations Committee informed our community as well as other high schools about New Trier activities.

All in all, Tri-Ship had one of its most successful seasons since its organization.

A Memorable Show

"Lagniappe and Graduation should be friends" was the final consensus of "On the Way," the twenty-second annual Lagniappe show. This agreement settled a basic conflict that had threatened to disrupt the last five minutes of the show.

It all started when Dr. Roland Rude, playing a janitor, stepped out onto the stage and demanded possession of the auditorium for the commencement program. But the Lone Ranger arrived in the nick of time to engineer a compromise combining the graduation ceremony with the Lagniappe finale, to everyone's great relief.

Other memorable parts of the show included the three Averley sisters, Judee Evans, Gretchen Oehler, and Ann Waterman, singing an original rock 'n roll song; Frank Patton cavorting around as a Frankensteinish version of Tinkerbell; and the combined chorus and dance group playing cowboys and Indians in a manner considerably more entertaining than authentic.

The chorus, directed by Lynn Fleischman and her assistant Tim Reasner, was the mainstay of the show and reached its high point in the loud, boisterous sequence of teenagers on the telephone.

Everyone in the acting group, directed by Karen Yocum and Rick Paul, played several roles, ranging from squabbling UN delegates, noted figures in Illinois history, and a nightmareish wedding party, to a luminous Greek chorus that chanted TV commercials.

Mary Lea Gibson, Rick Paul, and Sylvia Welch provided some of the show's biggest laughs in their short curtain skits by falling into the orchestra pit, falling onto cream pies, and falling dead off chairs.

The dance group, directed by Knox Northrop and Sandy Gasaway, was used throughout the show as an integral part of many acting and chorus numbers. In addition they danced two numbers of their own, one of which was an original ballet composed by trombonist Lynn Newton.

Under the direction of Jim Franklin, the orchestra turned in the finest performance of the show.

Technical effects and costumes were simple but striking, and the numbers were combined in a fast-paced review format with the major emphasis on comedy. More tickets were sold than for any other four-night production in New Trier history, and the show, through a low budget and large receipts, made more money for the Tri-Ship scholarship fund than any previous Lagniappe. Co-Directors Debi Fleig and Dave Odell may be proud to have produced a financial as well as a theatrical success.

Smiling Service

The New Trier service groups assisted in making a smooth running school.

Assisting New Trier in its daily functions are several service groups whose members do jobs from showing movies to "Science 4" students to talking a student out of his illness just in time for him to make that next period test.

Under the guiding hand of Mr. Cox, the Public Address Corps members ran back and forth adjusting the sound equipment so that New Trier could vociferously carry on its student elections, modeling shows, and dances. The members of this group gained proficiency in the 200-yard dash and in technical competency.

The Service Club had an extremely plentiful year of bandaging "hurt fingers" or curing headaches, according to the sponsors Mrs. Savage and Mrs. Schoenenberger. Each of the members spent part of her weekly time assisting the nurses in their endless task of finding cures for minor ailments. Surprisingly, they managed to get most of their patients well enough to take that test.

"I wonder who's absent today" was quoted daily by every teacher during his class period. Thanks to the members of the Special Vocational Class, under the supervision of Mrs. Bruno, this question was promptly answered. These students delivered the daily attendance bulletins to 215 areas throughout the school.

The New Trier Guard is appropriately known as the backbone of the Swimming Organization, for it is through the activities and services rendered by this group that all aquatic activities were made possible. The Guard was composed of 63 sophomore, junior, and senior members, 38 of whom were boys under the direction of Dick Wolff and Chip Brackett. The 25 girl members were directed by Sue Schroeder.

The Guard's most important duty was conducting the Saturday morning swimming classes, which, under the guiding hand of the director of swimming, Mr. Dave Robertson, was responsible for teaching over 2,500 grammar school children to swim.

New Activities Boost Interest

Perhaps one good measure of the success of a club is its increase in membership. The New Trier Drama Club nearly doubled its membership this past year, listing about 300 participants. Accounting for this tremendous growth in student interest were the many new activities of the group. A program of joint meetings with Highland Park High School was launched early in the year, with plans to expand the activity to include other schools in the area next year. At these meetings the two drama groups combined entertainment, ideas, and refreshments—"They bring the doughnuts, we bring the cokes."—Karen Yocum. The members attend the other school's dramatic productions, and afterward discuss and criticize them. Both schools found the program valuable and stimulating.

The New Trier Drama Club went on two Chicago theater trips, to *Fiorello* and *Raisin in the Sun*. Also, two professionals in the field of drama were invited to perform: Bud Buyer, a pantomimist, and Dr. Charlotte Lee, a poetic interpreter.

Three plays were presented with the cooperation of the club. *Blithe Spirit* starred Sue Reiter as a spirit who is recalled from the "other world" by Gypsy Melinda Guttman to visit her husband, played by Kent Brittan—much to the consternation of his second wife, played by Karen Yocum.

I Remember Mama is the story of a Norwegian family who settled in San Francisco in the early 1900's which was made famous by a recent television series. In New Trier's production of it Mama was played by Feather Dworkin. Other leads were Kim Ketola, Phyllis Kammerer, Tom Lauher, Ken Wright, and Janice Yudell.

The *Madwoman of Chaillot,* written by Giraudoux, is the story of a madwoman (played by Gretchen Oehler) who wants to destroy all the evil people in the world. Conspiring with her are three other madwomen, Sally MacKinnon, Melinda Guttman, and Ann Waterman.

The Power of Words

This year's national high school debate question "Resolved: That the United Nations should be significantly strengthened," was complex and difficult to judge.

New Trier's debaters, along with almost all other teams in the state, had an erratic season judging from tournament records. The greatest success for the team came at the important National Forensic League state tournament where New Trier's varsity debaters and individual event speakers combined to win the state sweepstakes trophy.

The varsity debate team, which posted the only undefeated record in the preliminary rounds of the state tournament, was forced to settle for third place because of a loss in a semifinal elimination round.

An added attraction to this year's debate season was the CBS television network's program, "Rebuttal." At the end of April, as a result of two unanimous victories, New Trier entered the quarterfinals of this televised single elimination high school tournament.

Throughout this debate season, as in the past, emphasis was placed upon developing speaking ability, and learning legislative procedure, as well as on traditional debate argument.

Inklings Reforms

If one were to have asked one of last year's New Trier students "What is *Inklings*?" he probably would have answered that it was a far-out, thoroughly "beat" creative writing magazine published annually by several other New Trier students.

Delightful though *Inklings* was in its own rather startling way, this type of writing had a rather limited audience.

Realizing that this reputation could frighten away many prospective students who might otherwise contribute their literary and artistic efforts to the magazine, the staff, headed by co-editors Sylvia Welch and India Smyth, sought to compile and publish a selection of articles more representative of the school. They and the other members of the *Inklings* board attempted to introduce a greater variety of styles and themes without sacrificing the standard of high quality set in past years.

Inclinations, let by Peter Clark, was a new-born publication, which, under the auspices of *Inklings,* was conceived for the purpose of encouraging the freshmen and sophomores who wrote well; but whose articles often were excluded from *Inklings* because of the upperclass competition. Only underclassmen contributed to this, and it was distributed only to freshman and sophomore English classes.

A Symphonic Theme

T2C, according to *Playback* editor Sylvia Welch, is a "broom closet with a window." This externally inconspicuous office houses one of New Trier's most unusual publications, *Playback*. Once known as the *Echoes* record, *Playback* has since become an independent organization which annually issues a long-playing phonograph record of the sounds of New Trier.

Playback '61 looked at New Trier as an orchestra of different organizations, each with an individual tone, all combining to create a unified "symphony." The large organizations, including Student Council, Tri-Ship, and Girls' Club, comprised the big woodwind section (intended as a mild jab at longwinded speeches). The administration was, of course, the "Big Brass," and the freshmen piped out in the piccolo section. All ultimately combined to create one crescendo of symphonic sound, which *Playback* entitled "New Trier."

The inspiration for the contents of the record came out of many long script committee meetings held in T2C, which is still adorned with a pink Christmas tree from the Yule of '59, a rug, and the prettiest curtains of any office in the technical arts building. From these plotting sessions came some of *Playback's* juiciest plans, i.e., microphone hook-ups hidden in the decorations at Tri-Ship dances.

Despite an admitted lack of staff organization, which resulted in occasional "artistic shambles," *Playback* '61 published at the year's end an entertaining and very original view of New Trier.

Almost everybody on the *New Trier News* reads the *New Trier News.* (*Loeffler*)

A Harried Press

Despite conditions, the News published a Medalist paper.

In the midst of the revels of an advanced dance class, the crunching of ECHOES, and the revolts of study hall 101, the New Trier *News* served the student body. Transcending this hostile environment, the *News* was able to accomplish a remarkable amount of journalism. In addition to publishing an almost-weekly newspaper which reported the activities of the administration, faculty, students and multitudinous school organizations and teams, the *News* staff undertook a couple of special projects.

One of these was organizing a mock election, an event which was educational and interesting, although the results of this election did not foreshadow those of the national one.

A unique effort this year was the special two-page issue, printed for freshmen and their parents on Frosh-Go-To-School-Night. It contained articles of particular interest to these newcomers. a discussion of the club activities offered, a description of the sports program, and editorials written by members of the class of '64.

Working on the *News* was by no means easy; it entailed the concentrated efforts of fourteen senior staff members and a journalism class of seventeen. All five days of work per publication-week seemed worthwhile, however, when, in March, the paper received the Medalist Award (top award in the division) given by the Columbia Scholastic Press Association.

At the annual publications banquet held May 11th, the new staff for the coming year was announced by Mr. Robert R. Boyle, English teacher and professional permit signer, who also serves as *News* sponsor.

Twenty-three issues and the special freshman issue had gone to press. The journalism class became the editorial staff. Sophomores enrolled in Journalism 313 for the coming year. A new office manager began to discover the problems of trying to maintain some degree of order in room 1C, and new plans to improve the paper were discussed. So the cycle continued—one staff moved out while another moved in, only Mr. Boyle remained.

The Work Is Done

The staff successfully battled time and environment.

Sandwiched inconspicuously between the hilarity of the *News* office and the floor thumping of the dance studio was the office housing the valiant staff of the New Trier yearbook, ECHOES. The office, in contrast to the noisy hilarity of the adjoining room, was characterized by the presence of subtle, but biting sarcasm, highlighted occasionally by weak puns. The office served two major purposes: to house an illicit, quasi-secret lunchroom for the staff and to provide a place for the production of the yearbook.

Much of the work on the book was routine: pictures had to be taken, unruly subjects had to be forced into line or eliminated, the resulting prints had to be cropped into an impossible conglomeration of ill-fitting shapes. Picture identifications underwent a careful examination for the removal of pseudonyms by a staff relatively weak in its knowledge of the alphabet and of spelling. Meanwhile the dummy was laid out, designed with a carefully contrived balance between black space and white space, and the stories were written, cut or padded to fit the space allowed, and carefully weeded of cliches.

The theoretically routine work of the book was complicated by a vast number of hazards resulting from the idiosyncrasies of the staff members. While in the office, the staff and the not infrequent but usually unwelcome visitors always had to be ready to duck a missile hurled by a frustrated basketball player, or a barbed invective from a grumpy editor-in-chief. Added to the confusion was the constant threat of loud folk music, and babblings in foreign languages.

Prevailing over the din were the soft tones of the staff referee, Mr. Ralph Mitchell, to whom goes the lion's share of the credit for keeping editors, photographers, junior assistants, and layout staff from one another's throats.

Highlighting the year for those lucky or persuasive enough to go, was the trip to

the printer in Iowa City, during which, with typical efficiency, the staff spent one-fifth of the allotted time working; the rest eating, sleeping, and watching class B movies.

Worthy of mention were two new developments which complicated the lives of the staff members. The compilation of a student index, a major task, required the services of two extra staff members, the indexers, Jane Silver and Mop Steinberg. Secondly, once the main issue was completed, the staff immediately turned its attention to the production of a new senior supplement which treated the final events of the senior's high school career.

Le Flambeau, la revue française, est un organe du Cercle Français de New Trier. La revue coûte trente-cinq cents, et se vend dans les classes de français. Cette année, il y eut un concours de souscriptions. Les six classes qui parvinrent à une souscription de cent pour cent le premier jour des ventes reçurent des prix.

Le Flambeau est encore une fois cette année sous la direction de Mme. Morris, professeur de français à New Trier. La revue contient des essais, des contes, des poésies, des images comiques, et des jeux verbaux contribués par les étudients de français. Afin de représenter tous les niveaux de français au lycée, elle comprend des efforts des commençants aussi bien que ceux des étudiants avancés.

Caroline Hartmann est la rédactrice en chef de la revue cette année. Son assistante est Jean Seashore. La dactylographie est dirigée par Betty Harvey, et l'art par Judi Paul. Sandy McCoy est en charge des ventes, et Mickey Herz dirige l'assemblage.

De Todo un Poco, revista publicada bajo la dirección del departamento de español, es la obra de aquellos estudiantes de español que poseen cierta inclinación hacia el periodismo. Su publicación les ofrece la oportunidad de expresarse artísticamente y, al mismo tiempo, diseminar sus ideas y compartir con sus condiscípulos el conocimiento derivado de sus estudios.

Ofrece, en general, como el título lo indica, "de todo un poco" en su contenido como en su preparación. Es decir, tiene sus sinsabores, momentos de placer, momentos de desesperación, y sobre todo, momentos de ánimo y satisfacción.

Pero volvamos a *De Todo un Poco.* Qué es? Arla Nudelman, alumna del primer año, nos da la respuesta:

No es cuaderno,
ni libro tampoco.
Es la revista—
De Todo un Poco.
Los estudiantes,
que saben español,
escribieron de cosas
como el sol.
Tambien de las flores,
de la primavera.
Y del buen jardin,
Que hermoso era!

Esta revista,
de sorpreses está llena.
Y hay que decir
que vale la pena.
Trabajo mucho
cada periodista.
Muy bien hecha
está la revista.
Ha de comprarla
toda la gente.
Debe leerla
muy felizmente!

Artists in the Dark

An outsider visiting the photo lab would undoubtedly be bemused at the motley stream of students entering and departing. Photographers, students, faculty members, guests of the school, and even some parents have been seen to enter the photo lab either to make use of its extensive facilities or to search for an elusive photographer or his promised pictures.

Changes in photographic technique were the result of an increased emphasis on "candid" pictures. The extensive use of small cameras, especially the 35mm, was adopted by the members of the school publications. The small camera allowed a more natural approach to fast-moving situations.

In their off moments the photographers were engaged in strenuous demonstrations of their oratorical ability or in thinking of new methods to thwart the editors of the various publications. Mr. D. Smith, soft-spoken sponsor of all photography work, could be found lecturing the photographers on their laziness or cleaning the mess left by them in their excursions through the world of photo-chemistry.

Despite the occasional opposition of the photographers, the ECHOES of 1961 reached a new pinnacle in technical and creative quality. The ECHOES photography staff was expanded to include six photographers, not more than three of which were active at any one time. Photography Editor Bob Loeffler and juniors Joe Steinberg, and Ralph Schatz, ably assisted by Frank Hughes, Rob Rau, Barry Fox, and Bob Eisen, handled the impressive task of shooting several thousand photographs for the pages of ECHOES. Every day during tenth period they could be found lounging around the phone in the photo-lab eagerly awaiting new candid assignments. The installation of a remote control button from the ECHOES office was delayed when it was found that vocal communication was more devastating.

The New Trier *News* continued in its extensive use of photographs, many of which were taken by photographers Ron Woxberg, Mark Walker, and Dave Kaplan. In times of desperation the editors of the *News* were forced to borrow photographers from their illustrious sister publication rather than face the vocal harangues of their photographers. The job of taking the publicity pictures used by many community publications was handled by photographers Tom Actipes and Don Boynton assisted by the members of the photo-service. The photographers of the lab continued in their fine tradition of service to the school.

WNTH-FM is Born

W.N.T.H., New Trier's frequency modulation radio station, has established a record of excellent programing. WNTH, broadcasting at 88.1 megacycles per second FM, drew upon the vast tape libraries of the National Association of Educational Broadcasters to supplement its own excellent programs. These locally produced programs included "Choosing a College," "Student Forum," "Faculty Forum," and "Producer's Workshop."

WNTH broadcasted seven and one-half hours per day. The station was under the leadership of Lee Mitchell, Station Manager, and Bill Stewart, Office Manager. The faculty sponsors were Mr. Ickes, Dr. Rude, and Mr. Rockey.

Quality and Quantity

The offerings of the music department were many and varied.

During the past school year the music department, under the direction of Dr. William J. Peterman, once again presented programs of outstanding quality, both for the student body and for the public.

Their first offering, the Creative Arts Workshop, included the opera, dance, and drama groups. "The Lowland Sea," presented by the opera group, was done in a unique manner. The group was split into a double chorus—one group in the aisles and the other on the stage—to create a type of stereophonic sound for the audience. The annual Christmas Concert was given on December 11th, and later rebroadcast on WNTH.

During the year concerts were presented by the junior music groups, the senior ensembles and choir, the orchestra, the band, and the faculty. In the spring two scholarship concerts were given by the senior groups to raise money to provide music lessons for deserving students. In addition, these groups sang for clubs and other organizations outside the school.

One of the biggest events of the year was the opera, "Finian's Rainbow," presented from March 22nd to 25th. For the first time since the opera has been presented in the auditorium, the show was a complete sellout — 6800 tickets were sold. The show contained many colorful and elaborate musical productions and had a plot which conveyed the message of brotherhood.

The annual Spring Festival was presented on June 4th, and the last event of the year was the Commencement Soloist Concert on June 8th, given by talented graduating seniors.

During the year the music department provided both excellent opportunities for those who wished to participate in music groups and great enjoyment for those who wished to be entertained.

Clubs For All

Radio and rocketry, Latin and psychology, and many others gave students a wide choice of intriguing subjects to probe.

Virtually any student at New Trier should be able to find a club which caters to one of his special interests, whether it be psychology, rifle-shooting, the study of nursing, or perhaps astronomy. Every club was started by students interested in some particular field. Each club has a faculty sponsor and a student charter

The Future Nurses of America, sponsored by Mrs. Savage and Mrs. Schoenenberger, gave girls an opportunity to attend movies and lectures on nursing. They also made tours of Cook County and Wesley Memorial hospitals.

Members of Interfaith attended three formal meetings, each in a different house of worship. These meetings led to interesting and illuminating discussions comparing the views and traditions of the various religious groups represented on the North Shore.

Twice a month, members of the Geography Club, sponsored by Mr. Peterson, attended lectures given by world travelers, who described the geographic characteristics of several countries. In addition to these lectures, the club took its annual hike from Winnetka to the South Side of Chicago.

Again, the American Field Service sponsored two foreign students at New Trier. They were Teisuke Ito of Japan and Griselda de Anda Villa of Uruguay. According to Mr. Buffett, the sponsor, funds were raised by a very successful foreign film festival in February. The annual bottle drive brought in additional funds. AFS also sponsored a series of lectures by visitors from countries including Nigeria, India, Yugoslavia.

Even the hams had their club. The Radio Club, under the supervision of Mr. Rockey, met every other Wednesday in their radio shack. In addition to those meetings, members communicated daily with other hams all over the world on the New Trier band, W9EDC.

Under the auspices of the New Trier Rocket and Astronautical Society, many enthusiasts studied the theory of rocket design with the assistance of Mr. Compton. They built solid fuel rockets which were launched at Nedly, Ind.

Star-gazers were welcome at lectures

given throughout the year by Chicago area astronomy experts under the sponsorship of Alpha Trieri. The group, with the guidance of Mr. Dulin, took various trips during the year.

Under the direction of Mr. Palmer, junior and senior mathematicians joined the Bernoullians to give reports about various phases of the science, to work out problems, or to see movies. The Freshman Mathematics Club, guided by Mr. Tenny, worked out interesting problems and studied advanced topics. Like the Bernoullians, the Freshman Math Club took various field trips, one to the Museum of Science and Industry. Further supplementing the school's curriculum is the Sophomore Mathematics Club, which as did the others, worked on phases of mathematics not given in regular math courses. The club was sponsored by Miss Cornell.

Supplementing the school's language curriculum were several clubs. German students were invited to join the organization sponsored by Mr. Gould, which took an evening to dine at George Hessberger's German restaurant in Chicago and saw the film, "Am Brunnen vor dem Tor." At the

end of the year, a dramatic production, "Eheliche Szene," was presented.

Francophiles joined the French Club, sponsored by Mrs. Morris, which met monthly to speak, sing, and listen to French. Several members presented films and slides of their trips to France, and occasionally, students read French literature aloud. In May, the group made its annual visit to a French restaurant and then to the French Impressionist section of the Art Institute of Chicago.

According to the sponsor of the Spanish Club, Miss Mair, all students who had at least one year of Spanish were eligible to join. The meetings were conducted entirely in Spanish and consisted of speeches, parties, movies, or conversation.

All students interested in Latin or in Roman history were invited to join the Latin Club, sponsored by Dr. Drake. The officers also helped edit Praeco, the Latin magazine. The Latin banquet, for which members donned togas and chanted Vergil choruses to add to the festivities, was held four days before the Ides of February. Freshman female Latin students were auctioned as slaves to older members.

. . . and More Hobbies

(Continued from page 77)

Sponsored by Dr. Johnston and Mr. Gerol, chess enthusiasts met bi-monthly to compete with Chess Club members and sometimes with members of clubs in neighboring schools.

Under the supervision of Mr. Gobor, the Freshman Rifle Club was organized this year to acquaint boys with the use of rifles. The group studied shooting techniques on films, in discussions, and on field trips to shooting ranges.

According to the sponsor, Mr. Larsen, 35 skiers, from rank beginners to slalom fans, spent spring vacation at Arapaho, Colorado, under the auspices of the Ski Club.

Members of the Model Train, Plane, and Boat Club, directed by Messers. Koser and Landwer, met bi-weekly to construct models, see films on the subject and observe demonstrations.

Camera bugs met twice a month under the guiding hand of Mr. D. Smith to take pictures. They also entered the photos in the monthly photography contests held by Lens Club.

Philatelists-Numismatists gathered each month to hear speakers, exchange stamps and coins. They were sponsored by Mr. Neuman.

Future Teachers of America, directed by Mrs. DeLong, presented programs to increase interest in the field of education. A representative from special teaching fields spoke at each of the monthly meetings. In addition, the club took a trip to the Luther Burbank Special School in Chicago in April.

Assisting the sponsor, Mr. Brull, New Trier staff psychologists, guidance counselors, and science teachers lead the Psychology Club in discussions ranging from Freud to the importance of home life in a person's mental outlook and to extra-sensory perception. The group also saw films and visited mental hospitals in the area.

THE VARSITY FOOTBALL TEAM

A Half Game Out

The fighting Indians finished in second place only a half game behind Evanston.

Overcoming the tremendous slumps of the past two years, the Indians made a remarkable recovery in the 1960 season, moving from fourth place to second place in the Suburban League Conference.

The Indians' first and most exciting battle of the season was a non-league game against Hinsdale, a powerful West Suburban League team. The teams fought to a 13-13 tie. New Trier's offense throughout the game was characterized by excellent line play allowing Paul Stonich and John Sherman ample time to pass accurately. In addition, the power of the New Trier line enabled Mercein and Stonich to make large gains in yardage by rushing.

The following week the Indians triumphed over Morton in their first Suburban League match by a score of 29 to 14. This was quite an upset for the Mustangs, since, along with Evanston, they were rated one of the League's two pre-season favorites. Mainstays of the New Trier line during the game were Ron Phemister, Jack Heidbrink, and Cully Rohlen. Protected by a powerful line, Mercein made three touchdowns and Stonich contributed greatly to the New Trier cause with accurate passing.

A week after this, New Trier met its only defeat of the 1960 season at the hands of Evanston. This was the season's most crucial battle, since the Wildkits finished only half a game ahead of the Indians. This 45 to 0 defeat, however, did not permanently affect the Indians' playing, for the next week they mauled Waukegan by a score of 41 to 6. Chiefly responsible for

this victory were John Ade, Bill Henderson, Heidbrink, and Mercein who scored 29 points.

Proviso, the next challenge, also was unable to penetrate the mighty Indian line as the Pirates were defeated by a score of 41 to 12.

The following week the Indians triumphed over Niles by a score of 7 to 0. This victory gave New Trier undisputed possession of second place. The outstanding play of the game occurred when Jim Haugsness rushed in and forced the Trojan quarterback to pass the ball wildly. Heidbrink intercepted the pass and scored the only touchdown of the game.

The second to last game was a remarkable victory over Oak Park, 52 to 7. The Huskies were overcome by New Trier's speed, as seven different Indians scored for New Trier.

The final game of the season assured the Indians of second place as they defeated Highland Park by a score of 25 to 6.

At the end of the season, five Indians, Ron Phemister, Chuck Mercein (the league's high scorer), Harley Gaber, Jack Heidbrink, and Paul Stonich, were chosen as top Suburban League players. Coach Walter Aschenbach was very pleased with the season not only because of the fine achievement of his team but also because of their undying spirit.

Still Victors

The Junior Varsity team retained the Suburban League crown for the sixth consecutive season, finishing with a record of three wins and two losses.

The Chiefs had a poor start as they were defeated by Glenbrook in their first battle, 8 to 7. After the game, Coach Peter Frantzen said that the Chiefs showed great potential and needed only to become stronger and more unified in their movements. Verifying their coach's statement, the J.V.'s went ahead the next week to defeat Morton by a score of 12 to 0, although two of their important players, Steve Nanini and Mike Wolman, were unable to play because of injuries.

The Chiefs suffered their second and final defeat of the season the following week, as Oak Park trampled them by a score of 14 to 0. The J.V.'s came back in the next battle, as they defeated Proviso by a score of 21 to 0. Dave Hathaway scored two touchdowns to assure the victory.

The final game of the season was also a victory for the Chiefs as they dueled Oak Park for the second time. The Huskies were defeated as Don Dominick made a touchdown and Nanini, the extra point. This victory gave the Junior Varsity team the Suburban League crown.

Ponies, Co-Champs

The Ponies tied the Wildkits for Sophomore Suburban League Title.

Surpassing their records of recent years, the Ponies attained a tie with Evanston for first place in the Suburban League, fulfilling the prediction of Coach Chuck Lauer.

Although the Ponies suffered a terrible 27 to 0 defeat by Hinsdale in their first game, they were victorious in their first Suburban League match, defeating Morton 21 to 19. Contributing greatly to the team's performance were John Roche, Steve Lazzara, and Neal Winick, each of whom scored touchdowns.

In their next battle the Ponies were defeated by Evanston by a score of 14 to 6. Roche scored the only New Trier touchdown of the game.

The following week, the Ponies defeated Waukegan by a score of 33 to 13. The Pups were neither strong enough nor fast enough to stop Roche and John Smart who scored two touchdowns apiece. Lazzara climaxed the game as he ran 47 yards for the final Pony touchdown.

The next week's game proved to be no hindrance to the Ponies as they triumphed over Proviso with a score of 19 to 0. The highlight of the game occurred in the third quarter when the hard working second team scored a touchdown. Andy Hoel was the hero of the play as he ran 37 yards for a touchdown.

The following week was an exciting game in which the Ponies defeated the Trojans of Niles by a score of 7 to 6. This victory kept the Ponies in contention with Evanston for the title of the Suburban League.

The second to the last game also held a victory for the Ponies as they defeated Oak Park, 13 to 12. Smart and John Hoel kept the team going strong. Hoel scored the two touchdowns.

The next week the Ponies mauled Highland Park by a score of 41 to 0 in the season's final game. This victory put the Ponies into a tie with Evanston for first place.

Braves Win Crowns

Both of New Trier's Freshman squads achieved Suburban League championships in their respective divisions. The Freshman "A" squad tied with Oak Park for their championship while the Freshman "B" squad won their championship with a perfect record. At the beginning of the season, Freshman "A" Coach Robert Malinsky and Freshman "B" Coach Kenneth Funkhouser were both quite dubious as to the ability of their teams, but their impressions were soon changed as each of the teams had a very successful season. The only defeat suffered by either team was the game in which the Freshman "A" squad lost to Oak Park by a score of 7 to 6.

It is a tribute to the fine defense of both squads that their opponents scored no more than one touchdown in any one game.

Second in the State

The varsity cross-country team, coached by Mr. Ben Almaguer, was undefeated in league and district competition this year, and placed second in the state meet at Champaign.

After winning all their dual meets by large margins, the team won the Suburban League meet held at Oak Park. Weymouth Kirkland, placing first, set a record for the Oak Park course of 9:47. The Harriers scored only twenty-five points while runner-up, Evanston, had seventy-two.

At the district meet the team, led by Kirkland, again took the honors, beating Evanston by eleven points. In the state meet in early November the Harriers were just barely beaten by a good Glenbard team, although Kirkland took first place in 9:15.0, tying the old state record over the 1.9 mile course. Following him were Tibby Carpenter finishing sixth, Tim Renn nineteenth, Chris Hixon twenty-sixth and Scott Etnyre thirty-third.

Although the team did not equal its success of last year, it was considered to be the most powerful team which New Trier had yet produced.

Indoor Trackmen Retain S.L. Title

Combining a number of fine individual athletes with over-all balance, the varsity indoor cindermen won the Suburban League Championship. The Suburban League champions won all of their multi-school meets — the Morton meet, the Evanston Relays, and the Oak Park Relays. Coach Ben Almaguer was especially pleased with the Morton defeat because a very strong Morton was considered the favorite.

Among the outstanding individual performers were Tibby Carpenter, who set a new fieldhouse half-mile record of 1:57; Chuck Mercein, who unofficially set a new state shot-put record of 58′10½″; miler Weym Kirkland, high jumpers Dick Willhite and Scott Etnyre, and finally, low hurdler Roy Zinkil.

The frosh-soph cindermen did not have as successful a season according to Coach Jerry Kates. Both the freshman and sophomore teams came in second at their respective Evanston meets. There were, however, three sophomore boys who are good prospects for coming years. They are broad-jumper Bob Guelich, pole vaulter Cliff Nelson, and low-hurdler John Laidlaw.

Injuries Slow Cindermen

By press time the varsity outdoor track team had completed two of its six scheduled meets. The first, the triangular meet against Evanston and Highland Park, ended in a victory. In their second meet, the Waukegan Relays, the Trierites wound up in fourth place. In this meet, however, three cindermen set new Waukegan Relay records. Chuck Mercein put the shot 61′ ¾″, Scott Etnyre high-jumped 6′ 1¾″, and Weymouth Kirkland ran the mile in 4 minutes, 24.4 seconds.

In spite of these good performances, however, Coach Ben Almaguer had "dim hopes" for the forthcoming meets because two of his most valuable assets, sprinter Herb Timm and broad-jumper Dick Willhite, were injured and would be out for the entire season.

The freshman-sophomore team helped the New Trier effort in the triangular meet with Evanston and Highland Park by the addition of their relay scores to the varsity scores. In the Waukegan Relays, sophomores Bill Better, Steve Lazzara, Bruce Baxton, and Tom Teegarden ran as the varsity relay team.

Jerry Kates, frosh-soph coach, said that he was "well satisfied by the cooperation of the team this year," and added that the frosh-soph cindermen show great promise for next year.

Varsity Improved

The fourth place finish was their best in four years.

The New Trier varsity basketball team wound up the season in fourth place with a seven won and seven lost record in league play. The fourth place finish was their best in four years. The team's overall record was nine wins and eleven losses.

Scott Etnyre was the team's leading scorer with 224 points in fourteen league games. This sixteen point per game average was the second best in the Suburban League. Etnyre was voted to the first team of the All-Suburban League team. His reputation as the league's best dribbler and shooting guard was most effectively shown in the first regional tournament game against Evanston. With his great dribbling and driving lay-ups, he led his team, which had been one point behind at the end of the third quarter, to a 57 to 51 victory.

Junior forward Harvey Fox was the league's fifth leading scorer with 180 points. This 12.9 point per game average, coupled with his steady rebounding, made him a dependable man throughout the season. Fox's best game was the second league encounter with Proviso East. He scored twenty-two points in the 56 to 49 win.

Co-captain Dave Coolidge was the league's best rebounding guard and ninth in league scoring. His 160 points and 11.4 point per game average gained him a berth on the third team of All-Suburban League team. In the last game of the season, the regional game against Waukegan, Coolidge scored 25 of the team's 43 points.

The first team was completed by Jim Holmes and Maury Wolff. Wolff was the best defensive player on the team. Co-captain Holmes was a consistent rebounder and defensive player. Holmes played his finest game in the 56 to 49 defeat of Proviso East. Paul Stonich and John Karlen played alternately as the sixth man on the team.

Frosh B Top Team

Their third place finish paced all the squads.

With a record of seven games won and seven lost, the sophomore basketball team gained a fourth place tie in the Suburban League. The overall season's record was eleven wins and seven losses. John Williams, John Major, Bob Magnuson, Al Ovson, and Tommy Nisbet were the starting-five for the team. The Ponies could have easily improved on their record, for three of their losses were by a total of five points. The team was coached by Mr. Roy Etnyre and Mr. John Jacobson.

The Freshman "A" basketball team, coached by Mr. Melvin Esarey wound up the league season with a four and seven won-and-lost record. The team, however, evened its overall record at eight wins and eight losses. This record was good enough for a sixth place finish in the Suburban League.

For the second consecutive year, the Freshman "B" basketball team placed better in its league than any other New Trier basketball team. Its season's record of thirteen wins and four losses was also the best earned by any of the teams. Coached by Mr. Robert Parker, the team gained third place in the Suburban League.

Swimmers Best in History

Five individual national record holders and tremendous depth combine to give N. T. swimmers the title of "greatest high school swimming team in the world."

The New Trier swimming team completed a season unparalled in prep swimming history, finishing undefeated as Suburban League, Indian Relays, and Illinois State Champions. Five swimmers, Roger Goettsche, Dale Kiefer, Dave Lyons, Fred Schmidt, and Terry Townsend combined to set a total of fifteen national inter-scholastic high school records. In addition to these individual records, New Trier set national records in the 400 and 200 yard medley relays and in the 400 yard free-style relay. State, Suburban League, varsity, and pool records were set in every event.

The outstanding achievement of the season was the winning of New Trier's twelfth state championship, the team's fifth in six years. New Trier scored a record 104 points to second place Evanston's feeble 69. New Trier completely dominated the meet, taking all but two of the eleven first places.

The only sad note of the season was diving coach Verne Condon's announcement of his retirement, after he had coached Duncan McDougall to the state championship.

The sophomore team finished a successful season, finishing a close second to Evanston for the Suburban League Championship, while one of the most promising freshman teams ever to enter New Trier swept through its entire schedule undefeated and won the Suburban League Championship.

At the National American Athletic Union College Swimming and Diving Competition held at Yale, the New Trier swimmers took third place among the top college teams in the nation. Schmidt took two second places, Lyons and Kiefer each a fourth. Combined with a fourth place in the 400 yard medley relay, these victories gave New Trier the third place berth. This is particularly impressive in view of the fact that Roger Goettsche, a high point scorer in last year's meet, was injured and unable to swim. After its performance in the AAU meet, New Trier was proclaimed the undisputed national high school champion.

Grapplers Have Good Season

Against strong competition the varsity matmen, under coaches Hurley and Wellington, compiled a Suburban League record of three wins and four losses. Their overall record was 10-4.

The grapplers started the year off right by beating Reavis, by a score of 27-19. The wrestlers followed this win with two more, a 31-14 victory over Thornton and a 25-19 win over North Chicago. In its first Suburban League meet the team lost to Niles by 16-26. Following that, however, the matmen defeated Oak Park 30-14, Maine East 25-19, Highland Park 37-11, and Tilden Tech 28-15.

The wrestlers lost their next meet to Proviso by a score of 26-16 but they bounced right back by beating Oak Lawn, 24-22, and Evanston, 25-14. The grapplers lost the next two to Morton and Waukegan by scores of 20-22 and 29-15 respectively, but they came back to beat Glenbrook, in the last dual meet of the year, by a score of 24-16.

Peter Diltz, at 95 pounds, and Don Behm, at 112 pounds, were undefeated in dual meet competition throughout the year. Steve Wishart went through the season at 103 pounds with 11 victories. Other wrestlers who had strong records throughout the year were Frank Kassen, Roger Blankstein, and Sam Diamond.

Three New Trier wrestlers—Behm, Blankstein, and Kassen—went down to Champaign to compete for state wrestling crowns. Behm, a sophomore, placed second in his weight division. These three grapplers gave New Trier a total of eleven points and sixth place in state competition.

Fair Showing by Sophs

The sophomore wrestling team, coached by Bill Turner, did not do so well as the varsity this year. Its over-all record was eight losses, five wins, and one tie.

The sophomore matmen started the year by losing the first two meets, the first to Reavis, 21-13, and the second to Thornton, 17-29. They came back to beat North Chicago but lost the next three to Niles, Oak Park, and Maine East. In the next four meets, they beat Tilden Tech, Highland Park, Proviso, and Oak Lawn. Following that, however, they lost to Evanston, Waukegan, and Glenbrook and tied Morton.

Although their record was not good this year, there was an indication of a bright future, since the team won the Quadrangular Meet over Waukegan by a score of 105-99.

Gymnasts Prove Fit

This year the gymnastics team had a successful season, finishing with a record of ten wins, two losses, and one tie in dual meets.

The highlight of the season was the state meet held at New Trier on March 10-11. In the meet New Trier placed sixth. Rick Porte took third place in the state tumbling. John Cashman took third on the high bar; Jim Graf took third in rebound tumbling; Bob Beguelin, tenth on the high bar; and Warren Schulz placed tenth on the rings.

At the gymnastics banquet captains Barrie Hutchinson and Bob Beguelin announced that next year's captains would be John Cashman and Stan Thompson. Bob Beguelin was awarded the Richard Thatcher Memorial Trophy for outstanding sportsmanship.

The squad was comprised mostly of juniors. For this reason, prospects for the coming season are good.

Bright Hopes For Netmen

By early May the New Trier varsity tennis team had racked up a record of five perfect victories and one loss under the direction of coaches Hughes Davis and Jerry Morgan.

The netmen jumped into practice this year defying the extremes of early March weather. These practices amidst snow, rain, and knifing winds, however, started paying off when they opened the season by whitewashing the team from Arlington Heights by a score of 5-0. Bill Rice, Bill Ewen, and John Hunter won the varsity numbers one, two, and three singles matches, respectively, and Chuck Sweet and Jay Huebsch combined to take the number one doubles match. The number two varsity doubles team of Ray Brandell and Steve Erenberg also triumphed. The Indians went on to shut out the next four teams—Maine East, Lake Forest, Highland Park, and Proviso, also by the score of 5-0.

The netmen lost the next dual meet in a very close match with an exceptionally strong Evanston team, 3-2.

Because of the strong showing of the netmen up to this point, New Trier could expect the varsity tennis team to continue its winning ways.

The sophomore tennis team, under the direction of frosh-soph coaches Ed Kahler and Art Tenney, followed the lead of the varsity team by turning in a beginning record of five won and one lost. They started the season by stroking down Arlington Heights in a 4-1 victory. Pug Schoen, Lee Borden, and Sonny Knight won their singles matches for the Ponies as did the first doubles team of Parker Adams and Bob Vail. The sophomores followed up this first victory by winning the next four meets —Maine East 4-1, Lake Forest 4-1, Highland Park 3-1, and Proviso 5-0—and by losing the last meet to Evanston, 2-3.

Well Fought Contests by Batmen

Only two bad defeats, at the hands of Waukegan and Lane Tech, had marred the varsity record by press time. Otherwise, all of the games were close and hard fought. Coach Lightner complimented the team on its work in these close games and in practice.

Hard and diligent play characterized this year's team, despite the relative inexperience of many members.

The varsity was composed of twelve juniors and thirteen seniors. The team's leading pitcher was senior Dave Mitchell. However, junior Al Oppenheimer was often used. From third to first, the infield was composed of Kully Rohlen, Dave Campion, Dave Lynch, and John Burpo. In the outfield were Mike Scott, Gordy Adams, and captain Les Overlock. Al Bazzoni and Terry Townsend, a converted outfielder, handled the catching.

The relief pitching was supplied mainly by juniors Ed D'Ancona and Bob Nelson and seniors Jim Holmes, Mike Doscher, and Steve Depperman.

The team looked forward to a strong finish and a winning season.

Success Predicted

At press time, before the season was over, sophomore coach Mr. Theodore Cramlet predicted that his baseball team could win the Suburban League title.

The team got off to a slow start, but outstanding players such as pitchers John Smart and Frank Elliot, first baseman Bruce MacDonald, and outfielders Al Ovson and Tom Nisbet were expected to overcome this disadvantage. Successive losses to Oak Park, Evanston, Waukegan, and Proviso, after a win over Notre Dame, were partially the result of weak batting. The fielding was generally good. Also, Coach Cramlet hinted that a winning season might require greater effort on the part of some of his players.

In contrast to the sophomore team, Coach Ron Klein's freshmen started out their season with four straight victories, defeating Notre Dame, Oak Park, Evanston, and Proviso. In the Evanston game Lee Morris pitched a no-hit game for New Trier, winning by a score of 5-1.

A Slow Start

The varsity golf team started out the season slowly. When this publication went to press, their record was three wins and four losses, including a victory in a quadrangular meet.

In their first meet on April 19th, the varsity lost to Glenbrook 11-4. They then defeated Hinsdale, 8½-6½. Following that, the varsity fell to Joliet 10-5. They lost a rematch with Hinsdale and then went to Champaign where they won a quadrangular meet from Champaign, Quincy, and Joliet.

In their first Suburban League meet, the varsity defeated Highland Park 9-6, but in their next meet, the team lost to Glenbrook 8-7.

The team's five best players were Fred Fischl, Jim Bronner, John Zopp, Jim Feldman, and Jim Freeman.

The team was coached by Mr. Raymond Fearheiley.

Fun in Any Season

GAA provided many afternoons of games for all New Trier girls.

"Sports are fun for everybody,
No matter what you want to play.
It's all in GAA.
Come on and join the fun in any season. . ."

So goes the GAA initiates' song, which summarizes all the workings of this organization. GAA provided many afternoons of games for all New Trier Girls, and at the same time, gave the girls a chance to become better acquainted.

The fall season found GAA officers welcoming new girls to New Trier and organizing soccer and field hockey games, riding lessons, badminton and tennis matches, and recreational swimming periods.

Mid-season sports including basketball; tumbling and apparatus; beginning, intermediate, and advanced modern dance; volleyball; synchronized swimming; fencing; and ice skating. Fine leadership increased the participation in these sports over that of previous years.

At the end of the season GAA presented its annual winter award assembly, which featured professional performances by woman midwestern gymnastic champions.

Early in the second semester initiation was held, though in a somewhat modified form. Because of the changing needs of a growing school, it was explained, GAA did away with the traditional "trial by ridicule" initiation involving costumes and fantastic hair-dos, and initiates were required only to carry stuffed animals. Nonetheless, this new type of initiation accomplished the same goal as its antecedent—to set the initiates apart from the rest of the students and to give these girls recognition for becoming members of GAA.

Spring sports included softball, tennis, archery, lacrosse, and riding. In May, GAA dancers combined with the opera dancers to present the dance demonstration. GAA's final activity was an award assembly and banquet at which high point winners and new officers were announced.

GAA officers are proud of the work their organization did this year—proud of the games, proud of the girls who played them, and proud that they were able to make sports "fun for everybody."

Under the direction of Mr. Fred Barney and Mr. Walter Gart, I.M. continued to expand at an impressive rate. The board and staff worked many long hours keeping up with the newly expanded program and the increased participation.

The student director was Dennis Passis. On the board, the governing body of the organization, were Steve Bloomberg, Jim Bronner, Norm Meyn, Ed Gould, and Mike Bley.

Under a reorganization program I.M. created four new positions. These were those of co-heads of individual sports, filled by Bill Ewen and Randy Gingiss, and co-heads of team sports, filled by Rich Jacobson and Don Bosshart. Each of these boys had a team of supervisors to help in directing the various sports which were organized. In all, there was an increase in participation of about ten per cent over last year's. 86.4% of New Trier boys competed in some Intramural event, with an average of sixty-eight boys taking part each day.

One of the most exciting new phases of the Intramural program was the use of the F.M. station for nightly broadcasts of all the latest information and results. Another innovation was a bowling tournament, in which more than forty boys participated. Besides this one, I.M. sponsored more than twenty other tournaments. Football, basketball, volleyball, and softball were among the team sports offered. In the individual events, there was competition in cross-country, tennis, golf, wrestling, table tennis, handball and many others.

SOPHOMORE FOOTBALL CHAMPIONS—FIRST ROW: Meyers, Knoebber, Wertymer, Fenton, Shellist, Rosen. SECOND ROW: Petersen, Davis, Bernstein, Grisamore, Good, Brown. (*Loeffler*)

JUNIOR FOOTBALL CHAMPIONS—FIRST ROW: Porte, Lasky, Hershinow, Whitmore, Cogswell. SECOND ROW: Ewen, Raber, Hutcheson, Walker, Adams. (*Loeffler*)

SENIOR FOOTBALL CHAMPIONS—FIRST ROW: Langenbach, Marino, Gould, Schneider, Wexler, Campion. SECOND ROW: Orwig, Green, Lyman, McGauran, Berland, White. (*Loeffler*)

Outdoor Sports

Football provided one of the most exciting tournaments in I.M. history. In the championship game Dr. Rude's adviser room defeated their junior opponents, Mr. James' adviser room, to take the title. Mr. Jensen's adviser room was the freshman team champion, while the adviser room of Mr. Davis won the sophomore tournament.

The horseshoe tournament, an individual event, was also held during the fall season. Dave Langenbach, the senior champ, became the school title holder by defeating the freshman champion, Dave Powell. Other winners were Rick Porte in the Junior Class and Lee Bordon in the Sophomore Class.

Tennis and golf were run under rather bad weather conditions, and many of the matches were postponed because of the cold and rain.

At the end of the first week of May, I. M. held its annual field day and bike race. In addition to the bike race there were sack races, pushball, and a tug of war. As a special added feature a bike race with teams from various school organizations and a faculty egg toss were held. The day was planned with the cooperation of G.A.A., and was one of the biggest events of the school year.

I.M. cross-country competition begins with Mr. Almaguer's countdown. (*Steinberg*)

Indoors, competition was held in handball, table tennis, basketball, track, gymnastics, bowling, wrestling, and free throw. There also were individual tournaments in table tennis and handball.

Basketball was the most popular of the indoor sports. I. M. held an adviser room tournament and later the all-stars of each class opposed each other. The senior all-stars won and earned the right to meet the faculty. The faculty, however, proved too strong for them.

There was indoor track competition in the shot put, 50-yard dash, hurdles, high jump, 440-yard dash, broad jump, and 440-yard relay. Boys earned points on both individual and team bases.

The I. M. department also provided contests in gymnastics in the various physical education classes with the help of Mr. Joseph Giallombardo. There was competition on the side horse, rings, parallel bars, trampoline, and high bar. Points were awarded to the boys in accordance with the difficulty of the routine.

The wrestling tournament was held during March. At the end of the tournament the four class champions in each weight division, from 95 pounds to heavyweight wrestled each other, and a dozen school champions were declared.

Volleyball was held on a round robin basis. Almost all of the adviser rooms entered a team in the competition. Mr. Marz's senior boys won the school championship.

SENIOR VOLLEYBALL CHAMPIONS—FIRST ROW: Lawrence, Donnelley, White, Grant, Bellairs. SECOND ROW: Fitzgerald, Barlow, Maytnier, Mr. Marz (adviser), Richter, Sawyer. (*Actipes*)

JUNIOR VOLLEYBALL CHAMPIONS—FIRST ROW: Hoerner, Hershinow, Walker. SECOND ROW: Raber, Gray, Voigts, Porte. (*Actipes*)

A Year of Changes

Administrative decisions marked a growing New Trier.

New developments in the administration of New Trier Township High School began with the appointment of Robert A. Harper as Administrative Assistant. Mr. Harper is a graduate of New Trier High School and of the University of Illinois. In his years at New Trier he has held a number of responsible positions, having been chairman of the Faculty Salary Committee, head of the Mathematics Department, secretary to the Parents' Association, and principal of the New Trier Summer School. His new responsibilities are chiefly to assist the Superintendent in supervisory tasks in school publicity and public relations, and in discovering aspects of the school operation which require attention. Mr. Harper will continue as principal of the summer school and secretary to the Parents' Association.

A second development in administration this year was the planning and installation of an FM radio station as a means of informing the people of the township of significant events at New Trier. The room at the top of the tower and the space in the

fourth floor corridor just underneath it were remodeled to provide a first-class broadcasting studio and staff room. The new station went into operation just before Christmas and immediately proved its usefulness in broadcasting results of basketball games, swimming meets, and other New Trier High School events. It is expected that in the coming months and years, while a new school building is being planned, erected, and staffed, the station will prove increasingly valuable for communication between the administration and the people of the township.

The third major decision of the administration was to recommend to the Board of Education the rental and purchase of a battery of office machines to be located on the premises for processing grade reports, absence records and reports, some parts of permanent record information, and various other possible uses. The Board authorized the purchase or lease of the necessary machines, and the summer school registration and parts of the 1961-'62 school year registration will make major use of them. It is to be noted that the critical part of registration, namely, the assignment of students to individual sections or classes in subjects, will continue to be done by advisers and counselors at the school. This part of the registration process will not be turned over to mechanical devices. Once the assignments to classes and sections are made, however, the machines may take over to perform a great part of the clerical work formerly done by advisers, teachers, and the office staff.

A fourth change planned this year was the adoption of a new daily schedule to go into effect in the 1961-62 school year. The new daily schedule will make it possible for every adviser group to meet in a desirable room. It will also provide an extra period during the school day for additional class sections, to accomodate the increased number of students expected next year. Thus the new daily schedule will solve the two problems of providing desirable meeting places for all adviser groups and of permitting greater flexibility in scheduling classes throughout the school day.

Of course the most important decision by the Board and administration during the year was to recommend the purchase of a site for a second building for New Trier High School. After careful population surveys and analyses of the educational problems at the high school, the Board decided to recommend to the voters the erection of a second high school to accomodate the expected increase in enrollment. In late May a referendum was held to seek public approval of the purchase of a site 2.3 miles west of the present school. Approval of a

bond issue for the new building itself will be asked of the voters in a special election next fall. It is hoped that the new building will be ready for occupancy in September of 1963.

All of the internal developments in administration are devoted to achieving the primary goal of the administration, which is to promote good teaching and good learning. Besides stimulating growth of the school program in new areas and setting up administrative procedures to encourage and facilitate good teaching, the administration has worked constantly with individual teachers and department heads to improve instruction and learning. Along with this, the administration has continued the New Trier tradition of giving the students much responsibility for managing their own affairs and of helping them assume and discharge this responsibility.

A Grand Year

The seniors' vibrant spirit contributed to their outstanding achievements.

A totem pole standing 34 feet high in a corner of the football field remains behind as one of the many contributions and achievements of the senior class of 1961, a group vibrating with the contagious school spirit which has swept New Trier. This Indian symbol was largely the brainchild of senior Frank Patton, president of Tri-Ship.

Each of the class officers—Jim Howe, Judy Gilbert, Wally Jones, and Sue Leavitt—were active in many of the other leading organizations of the school. This contributed to a greater awareness on the part of the officers of the activities and problems of New Trier.

This year also saw Mr. Weingartner in his first year as the senior boys' adviser chairman. He and Miss Hamilton, who directed the senior girls, acted as the fac-

ulty sponsors of the senior steering committee. An innovation of the steering committee was a list of the names, home addresses, and, when possible, college addresses, of each of the seniors. This list was distributed at the annual senior picnic.

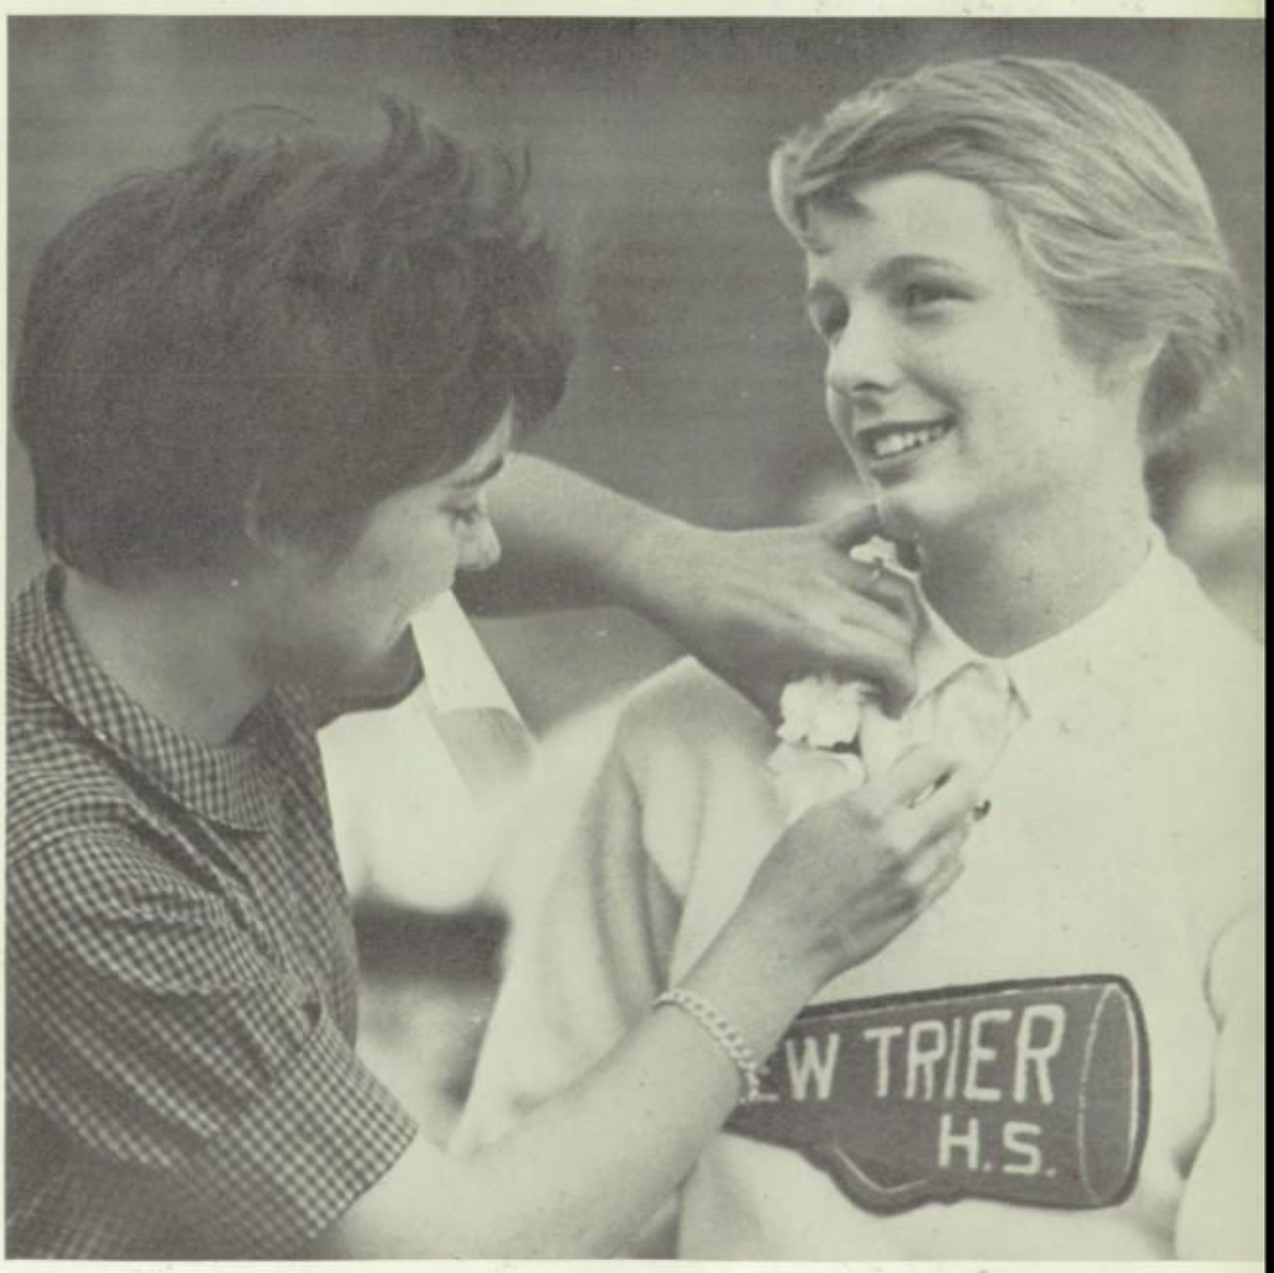
In the field of academics, thirty-one students qualified as National Merit Scholarship finalists, of whom Pete Addis, Mike Klass, Debbie Lucas, and Dave Odell actually won scholarships. In addition, a number of students won Illinois Scholarships.

Socially, the class sponsored the traditional Christmas Dance, "Sleigh Bells," and the New Year's Dance, "King's Court." A welcoming dinner was held in the fall for the many seniors new to New Trier, and to fill up the occasional slack periods in the social calendar of the New Trier senior, several Senior Canteens were sponsored by the Canteen Board.

Outstanding athletes in the class led the school to a state swimming championship and good performance records in most of the other interscholastic sports.

Dianne Ward watches attentively as Jim Howe, president of the senior class, and Frank Patton, president of Tri-Ship, carve the totem pole under the football stands. (*Loeffler*)

Three sinister dandies join a motorcade: Spike Hauserman, Jay Laskay, and Bob Fraser. (*Loeffler*)



Penny Hampton congratulates Sharon Smith at the first pep rally of the year. (*Steinberg*)

The Year Was Hectic

Junior class members followed a varied schedule.

Early college planning, hard work, and parties constituted the major activities of the class of 1962. Under the guidance of Miss Frances Bredin and Mr. Roland Wehr, the juniors began to assume leadership in the various school activities.

In October, the juniors held their week-long election campaign which ended with the voting for class officers. The winners were Rusty True, president; Jim Patton, vice-president; Josie Saracino, secretary; and Chip Miner, treasurer.

During the month of November the juniors were subjected to the trials of the PSAT's and the SCAT-STEP tests. In March and May juniors took the Scholastic Aptitude and Achievement Tests, and an unusually large number of students took the National Merit Scholarship Tests.

In December, a panel discussion entitled "How to Choose a College" was held in order to aid juniors in the selection of a college. Two panels gave students some insight into the different types of colleges and what each had to offer. One panel consisted of four parents, and the other of four students: Jean Murray, Susan Gaker, Thomas Hughey, and Steve Edelman. Dr. Cornog, Miss Maloney, and Mr. Gannaway moderated the discussion.

The annual no-date Junior Class party, "The Real McCoy," was held November 19th in the student lounge. The decorations and entertainment followed the hillbilly theme of the party.

The junior girls' dance, "My Funny Valentine," was held February 11th at the Glencoe Women's Library Club. The dance, by tradition a turnabout, was highly successful. The committee heads for the dance included Kitty Whittemore and Joanna Wack, Financial; Betty Borner and Judy Mussehl, Hospitality; Joan Nelson and Karen Lambart, Refreshments; Amy Allison and Sue Guelich, Publicity; and Judy Butler and Terry Lee Markoff, Decorations.

In June, according to an old custom, the juniors acted as hosts to the seniors at the Junior Prom.

Whoever dubbed second year high school students "simple sophomores" had obviously never met the members of New Trier's class of 1963. This outstanding group established itself in the eyes of both the faculty and other New Trierites as a class with a capacity for individualism.

Their election campaign, held early in the fall, was particularly colorful. The high point of the event was the appearance of a group of girls dressed in shirts covered with the names of their favorite candidates. Winners of this spirited contest were Jeff Whipple, president; Delna Eldridge, vice-president; Bill Eichengreen, treasurer, and Delna's twin sister, Thelma, secretary.

The sophomores gave two no-date class parties. At the first, "Snowed Inn," classmates danced to the professional music of Jake Jerger's band and watched a lively entertainment program. At the second party, following the theme, "'63 Skidoo," more daring revelers wore roaring 20's costumes. In the spring the sophomore girls organized a hag party, at which a movie was shown and refreshments were served.

The class worked earnestly raising money for the various charity drives. The sophomore girls were the highest selling class in the magazine drive, collecting over $9,928.

Impressed by the functions and accomplishments of the most "un-simple" sophomore class, faculty members feel no trepidation when anticipating the day when this class will be given a free hand fully to exploit their great potentials.

They Swamped New Trier

The freshmen were the largest class in New Trier's history.

BILL MALUGEN
President

The class of 1964 holds two important distinctions: first, it is the largest in the school's history, with 1181 students and two more adviser rooms than any other class; and second, it will be the last class to graduate as a whole from the present New Trier. Large as it may be, however, the freshman class has been unified and enthusiastic. After being introduced to New Trier's many organizations by the upperclassmen, the freshmen began to participate wholeheartedly in these activities. The girls came in first in the Girls' Club magazine drive in the fall. The freshman swimming team won the state championship; the "A" football team tied for first in the Suburban League, and the "B" team won the title.

During the first semester the freshmen were guided by their adviser chairmen, Miss Blanche Veach and Mr. Larry Irwin, by their Freshman Helpers, and by the steering committee. The Freshman Helpers gave the first class party, "Hawaiian Haw-ah-ya," at which Spike Dashow's band played.

The freshmen chose Bill Malugen, Bonny Boon, Peggy Fulton, and Dave Bornhoeft as their officers. After the election they gave the second party, "Rhapsody in Blue," at which Nancy Ingersoll and Nip Duncan were m.c.'s, and Jay Zoren's band entertained.

Although the class suffered from the usual freshman maladies, the students showed signs of eventually outgrowing their afflictions.
